Sweet Temptations Launches New Catering Confectionery Range

Sweet Temptations, the St Albans based promotional sweets and chocolate specialists, is pleased to announce the launch of their new catering confectionery range designed specifically to appeal to the marketing and promotional needs of hotels, restaurants, cafés and catering outlets.

The range is made up of a selection of carefully selected products that have already been successfully proven to build brand awareness and make effective marketing tools to encourage repeat business and customer retention. The products, which include mints, lollies, sweets, sugar sachets, fortune cookies and chocolates can be branded with a company's logo and details or message, and can also be effectively used as competition tools or even to convey incentive schemes to customers.

All products are competitively priced and come in very reasonable minimum order quantities, this makes it possible to do that 'something extra' without having to pay a premium.

Simon Taylor heads up the catering confectionery division and will be delighted to talk you about the range and how we can make these products work for you. Call him on 0845 658 0202 to discuss your particular needs.
