

It's not too late to get your message across this Christmas with Sweet Temptations new Express Delivery service

With Christmas fast approaching, it's still not too late to order your Christmas incentive gifts from Sweet Temptations in time for the festive period.

From chocolate coins in nets, chocolate bars and lollies to luxury Belgian chocolate boxes, Sweet Temptations have a product to suit everyone and this tasty range of products can still be fully personalised with your own message or company logo in time for Christmas.

Sweet Temptations has developed an Express Delivery service specifically to facilitate late and last minute orders, and over the festive period they will guarantee the delivery on selected products up to 21st December if you order before the second week of December. Whilst this service has been introduced to accommodate late Christmas orders, Sweet Temptations intend to offer their express delivery service as a year round proposition on selected products from their range.
